Thanks. Awesome.

I just got off the phone with Wendy. I'll be coming into your office at 0930 tomorrow. Can download you on status, although e-mail traffic might beat me to it.

My objectives for next two days are to observe, monitor, and support Bret.

Mahalo,

Dean, I left you avm, but don't have your cell.

I spoke with Wilma Namumnart minutes ago. At around noon today the City's Managing Director toured the landfill. I nor any other from EPA 9 were there. Per Wilma, it went well. She informed me that the Managing Director (MD) is holding a press conference at 3:30 HI time (10 minutes from now).

Wilma said that, at the tour MD wanted to sprsk with someone from EPA. Wilma e-mailed me to call, which I did and got this info. Prior to mu calling they reached Terrence Johnson (with our ERT) and apparently that answered the mail. (btw my cell number was left on a list at LF today so I can't figure why she couldn't find my number.)

Anyway, all FYI.

I'm here to monitor things through end Wed, on pland to SFO Thursday. Please include me in relevant communications. And my cell is 415-203-9075.

Mahalo!
